

Application No. 10/501,884

REMARKS

Claims 1-78 are pending in this application. Claim 1 has been amended. Claims 2 and 3 have been cancelled. Upon entry of this Amendment, Claims 1 and 4-78 will be pending in this application.

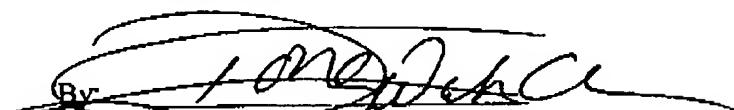

In a Notice of Non-Compliant Amendment dated June 30, 2005, the Examiner noted that Claims 11-48 (sic 78) were missing in Article 19 Amendment to the corresponding PCT application. It should be noted that only the pages containing the amended claims were submitted in Article 19 Amendment. Inclusion of these pages were not necessary as the national phase entry does not require resubmission of Article 19 Amendment. However, a complete listing of the claims is submitted herewith in response to the Examiner's Notice of Non-Compliant Amendment. In addition, a complete list of all pending claims is provided in Appendix A for the convenience of the Examiner.

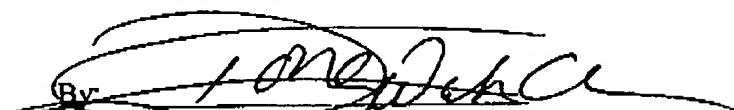

If the Examiner believes a telephone conference would expedite prosecution of this application, please telephone the undersigned at 303-607-3614.

It is believed that no fees are due with this Response. If any such fees are due, however, then please debit such fees to Deposit Account 06-0029 and notify us of the same.
